Mokena Set For Homecoming Aug. 18-20

COMMITTEE ANNOUNCES PROGRAM FOR THE THREE-DAY FESTIVAL

Biggest Crowd Ever Gathered on Mokena's Streets for Eleventh Annual Event Predicted by Old-Timers

We Are Sorry

Is our face red. After the issue was out last week, we were looking through the ads and finally spotted the advertisement announcing the Orland Park firemen and American Legion's exposition August 10 through 13.

Imagine our embarrassment when we saw the line reading "Floats Drum and Bugle Corps." We immediately grabbed a dictionary and what we saw there after the word corpse was appalling.

We want to assure you that the drum and bugle corps performing at the Exposition will certainly NOT be dead, nor any other goings on at the affair either.

We assure members of the Exposition Committee and readers that the error was unintentional and wish to ask your pardon. But that one little "e" was one of the 1,238,463 letters that make up the paper (count them) and we—as everyone—make mistakes.

Under The Cross Of Malta

Thursday, August 10 is the regular meeting of Wm. Martin Post 725 VFW at Mokena. This is about the most important meeting we have had for sometime, so all you fellows should make a special effort to get out and attend this one. Many important issues will be up for debate.

At last we have set the date for the "Grand Opening." It is to be Sunday, Sept. 24. There were conflicts to the two dates previously mentioned, one of which is the 5th District Meeting at Waukegan on September 17. The television set will be awarded at that time.

Our next effort will be spent on the Homecoming, August 18, 19 and 20. Everyone will have some duty during this three day period and these duties will be outlined at the meeting Thursday.

Arrangements have been pretty well completed for the Labor Day dance Sept. 4. Banas Bros. band has again been engaged and we hope our friends will be out en masse to have another good time. Everything will be done to insure just that.—Eino L. Saarela, publicity.

Wesley Haas of Mokena Was Grand Champion Winner at Will Co. 4-H Show

A Mokena boy took the highest honors Saturday at Peotone with his grand champion steer shown at the largest 4-H show ever held in Will county. Wesley Haas, son of Mr. and Mrs. Walter Haas, was awarded first prize by the judge, Richard Carlisle, of the U. of I. for an Angus steer, bred on the Fred Francis farm. Reserve champion was shown by Robert Morgan, Beecher.

Among the winners from this area in other steer divisions were Vernon Lankenau, Peotone; Burton Barr and Gerald Koehler, Manhattan; and George Archibald, New Lenox.

Donald Braasch, Lockport, received a rating in the breeding heifer class. For a group of five animals the Frankfort-New Lenox 4-H club received a rating, and Leonard Brands, Beecher, was named champion showman of the show.

A ratings in calf classes were given to John Loucks, Frankfort; Clyde Dralle, Manhattan; Billie Klott, Joliet; Wayne Kopman, Frankfort; Glen Ruthenbeck and Edwin Marti New Lenox.

For Brown Swiss calves with A rating, George Beutel, Jr., and Russell Beckman, Frankfort, were named and in the Guernsey class Melvin Dralle and Norman Rubenbeck, Peotone, received A ratings.

In the Swine show Vernon Lankenau, Anthony and Leon Isert, Wayne McArthur, Peotone, and Robert Povee, Manhattan were given A ratings. In the sheep division A ratings were awarded to Florence and William Platt, Jr., and Robert

The Mokena Homecoming Committee Monday released the information that their program of entertainment is selected, to be held in Mokena August 18, 19 and 20.

Besides the parade on Sunday afternoon there will be entertainment for everyone every evening during these three days. The program lined up by the committee in charge follows:

Friday evening, Mrs. Geo. Haus er of the Joliet Conservatory of Music and Dancing has been engaged to arrange a program of music and dancing. And Mr. Whitney Carter the emcee for the three days says he will arrange for some surprise entertainment each night from the platform.

A highlight of the Homecoming event will be the Saturday night program with Bill Robertson and Darlene, in a sensational balancing and juggling act. There will also be a quiz program from the stage with prizes for the successful contestants.

The street dance promises lots of fun and fellowship for all attendees. There will be square dancing with music by Glenn Convik and his Lombardi Rhythm Kings featuring Glenn Pruty, calling. And of course 1:30 p.m. Sunday marks the time for the huge parade. According to Norval Robinson, parade chairman, this will be the biggest parade "ever to hit Mokena streets."

First on the show for Sunday evening will be that comedian and accomplished musician Chuck Lee with his wit and humor. Come prepared to laugh and laugh! Also scheduled for the Sunday night show is the great Eddie Hutson and his magic.

And last but not least comes the announcement that the committee has succeeded in engaging the Warrens in their dare devil balancing and contortion acts. They have added juggling and adagio for this performance.

Next week's paper will be the annual souvenir edition, and a complete program will be given as to times of the various events and any added features.

Expensive Machine Added to TP Garage

English Brothers Garage of Tinley Park has recently installed the well-known Bean Aligning machine, to take the guess-work out of aligning steering apparatus.

Jim English says that included in this equipment is a wheel balancing machine. This equipment, he says was added at a cost of over \$1,200 for the purpose of giving a more complete and better service to motorists in this territory.

Cagwin, Lockport; and Garrett White Manhattan.

Among the winners for the egg display were Ralph Briva, Albert Hiller and Claude Dralle, Manhattan. The White Rock production pen brought A ratings to Bob Oram, New Lenox; Dale Smith, Peotone; David Gallagher, Manhattan; and for the New Hampshire, Nancy Weininger and Irene Benck, Lockport; and Richard Krapf, Peotone, had A ratings on the high line production pen. Leland Lawrence, Manhattan, and John Smith, New Lenox were A winners in the Austria White production pen.

The rabbit division was judged by E. E. Mayhew, of the Boone township high school, and he gave A ratings to Ronald Otto, Lockport; Dan Martin and Thomas Townsend, New Lenox and Robert Cagwin, Joliet.

In the home beautification classes A awards went to Arlene Borms, Frankfort; Dan Martin and Mary Lou Loebe, New Lenox and Donna Rae Meyer, Manhattan. Of the soil improvement class Martin Bovee, Manhattan was a winner and Deane Klausling, New Lenox, had the only A entry in the honey production division.

In the garden exhibits which included both home and commercial the following received A ratings, Arlene Borms, Pat Knowles, Darlyn and Dolores Cleveland, Mokena; Gordon Ekedahl, New Lenox; Bob Prowell, Albert Hiller and Stanley Johnson, Manhattan. The commercial class winners included Tony Bruskas and Dick Richards, Joliet and Ralph Benck, Lockport.

Local 4H Girls to Show at State Fair

In the agricultural division will be exhibited baby beehives, cattle,

Five Year Old Sees Chicago Fair Solo

Mr. and Mrs. Leonard Warning and sons, Mrs. John Embling and Kathy Embling of New Lenox spent Sunday at the Chicago fair. The Warnings spent an exciting three hours searching the grounds with the police for their son Kurt who got himself lost in the crowd. After searching for quite some time, Mr. Warning had remembered something Kurt had said about going back to the car, so they decided to go back to the parking lot on the south side, and in the sixth row back, where they had parked their car, they found Kurt sitting on the running board, patiently waiting for their return. Incidentally Kurt is only five years old, and the Chicago fair grounds is a pretty big place to get lost in.

VFW Aux. News

The regular meeting of the Ladies Auxiliary to Wm. Martin Post No. 725 was held in the Vets hall Mokena, Aug. 8rd.

Definite plans were made for the refreshments at the Homecoming and the following members were named to assist. The co-chairmen, Mrs. Maude Larson and Mrs. Mathilda Stankus; Mrs. Alice Homrinding, Mrs. Alma Peterson, Mrs. Louise Hentsch and Mrs. Olive Williams. It was decided to serve barbecues, hamburgers and wieners.

Mrs. Grace Kopelman, hospital chairman, reported that August 10 is the date set for our next party for the Veterans at the Kankakee hospital. All who promised to bake pies for last month's party are asked to please bake a fruit pie, apple preferred, and to leave it at Mrs. Larson's home before noon. Mrs. Kopelman learned that pie is a mode is a favorite treat for the boys, and she will need 15 to 18 pies for the party.

The following committee was named to assist her: Mrs. Stankus, Mrs. Lillian Schmidt, Mrs. Evelyn Sarella and Mrs. Dora Roessner.

Our president, Mrs. Mildred McMillan, was elected delegate to the 51st National Encampment which will be held in Chicago at the Palmer House August 27th to Sept. 1.

Mrs. Williams was appointed Poppy chairman for next year.

The following committee was named to serve the refreshments at the Labor Day Dance the Post will give: Chairman, Mrs. Mary Clark, Mrs. Amanda Schudt, and Mrs. Grace Kopelman.—Mary A. Clark, publicity chairman.

To Marry Aug. 12

The engagement and approaching marriage of Miss Shirley White and Mr. Robert Ludwig is being announced by the bride-to-be's parents. Mr. and Mrs. Lee White of Lockport who were Homer residents for many years, Mr. Ludwig is the son of Mr. and Mrs. Lawrence Ludwig of Lockport.

The wedding will take place Saturday August 12 at 4 o'clock in St. Joseph's church, Lockport with a reception in the evening, 7:30 to 12, at Goodings Grove hall, Homer township. Relatives and friends are invited to both.

Free Chest X-rays At Frankfort and Mokena Aug. 14-16

The people of Frankfort and Mokena will have the opportunity to have their chests x-rayed free of charge next week.

The Will County Tuberculosis association's mobile chest x-ray unit will be in Frankfort Monday, August 14 on the school yard, from 1 to 3 and 7 to 9 pm.

The Busy Homemakers unit of Home Bureau is sponsoring the project, under the general chairmanship of Mrs. Joseph Scott. The workers assisting her and the x-ray unit will be:

Those serving from 1:00 to 3:00: Frankfort Woman's club, Mrs. Frank Heisner; Royal Neighbors, Mrs. Jake Hostert and Busy Homemakers unit, Mrs. Scott. Hours 3 to 5: WSCS of the Methodist church, Mrs. Henry Heisner; St. Peter's church guild, Mrs. Clarke Bennett and Busy Homemakers, Mrs. Harold Ebert.

Hours 7 to 9: American Legion Auxiliary, Mrs. Donald Carroll; PT-A, Mrs. Walter Harnack and Busy Homemakers, Mrs. Ray Walsh.

It is becoming more important all the time for the adults in a community to have a chest x-ray in order to protect themselves, their friends and their families from tuberculosis. These x-rays are made available at no cost to the individual by the Will county Tuberculosis association and through the purchases of Christmas seals.

Contrary to the opinion of some people, a person does not become immune to TB after passing a certain age. In fact the age group under twenty is comparatively free of tuberculosis, 93% of all cases of tuberculosis are found in people over twenty years of age, and 11% occurs in those over 65. As a result of this, the age limit for those wishing to have a free chest x-ray is 19.

The same mobile x-ray unit will be in Mokena Wednesday, August 16 from 2 to 5 and 7 to 9. Mrs. Louis Holm of the Frankfort-Mokena Home Bureau unit will sponsor the Mokena project. She will be assisted by other members of the unit.

Orland Man Injured As Car Hits Rail

Early Wednesday morning, Aug. 9th, about 1 a.m., while Owen Creer of Orland Park was driving home from his place of employment, the car went off the road into the guard rail at Swallow Cliff. The rail rammed through the car from the front, pushing the front seat to the rear, cracked the windshield and a window. After the crash, Owen managed to get out of the car by himself, as there was no one else on the road. A passing motorist stopped and helped him to drive to his home, and after he attended Owen, without removing him from the car, they took him to St. Francis hospital in Blue Island.

Owen is suffering with several bone fractures and also a cracked one in the right leg and a very bad sprain in the left leg, also bruises. Some car trucks passing by, placed flares at the scene of the accident, until the car was towed to Orland. The car is badly damaged.

No one was injured. The Beagley car was insured.

Chicago Heights Kiwanis chorus will be presented in a half hour broadcast at 8:30 p.m. next Sunday over WGN. Arthur Lambrecht will direct the 29 voice group. Miss Lillian Collins is organ and piano accompanist. Alfred S. Odegard is club president.

BIG REPUBLICAN PICNIC AUG. 19; EVERETT DIRKSEN TO SPEAK

With the general election less than three months away, the annual Will county Republican picnic will take on added significance this year. The affair is to be held Saturday, August 19 at St. Joseph park, Theodore and Raynor Avenue, Joliet. It is sponsored by the Will county Republican central committee and will give the voters an opportunity to meet the candidates and discuss local, state and national political problems.

It is also an opportunity to meet neighbors from other sections of the county and exchange views. C. H. Peterson, chairman of the county central committee, and Sheriff John Kirmeich, head of the committee on arrangements for the picnic, anticipate an attendance of several thousand. This is to be a family affair, it was emphasized by the committee, and a special invitation is extended to the women and youngsters.

Families may bring their own dinners or obtain food and refreshments on the grounds, including

The regular card party will be held in the Vets hall, Aug. 12. Refreshments will be served by the following committee: Chairman, Mrs. Edna Spiess, Mrs. Lydia Muller, Mrs. Adelaide Goddard and Mrs. Ida Warning. All games start at 8:30 p.m. The public is cordially invited to attend.

There are Thieves In Mokena According To Latest Reports

One of Mokena's business men Monday night caught three youths in the act of stealing money from his place of business.

Upon questioning the boys, he found that another three were implicated in the thefts, which totaled \$49.70 since last Thursday.

The business man became suspicious that the money left in his place was disappearing. He marked the coins and bills, and kept an accurate check of the cash on hand. Since last Thursday the biggest haul made by the boys, ranging from 12 to 16 years old, was a little over \$22 on a single night.

After deciding to sleep in his place of business in the hopes that he could catch the thieves, he was rewarded for his efforts Monday night when the three youths broke into his place by picking a lock on a rear door. He cornered the boys in a room in the act of dipping into a cash drawer.

After questioning the lads, he took them to their individual parents, who promised to make good the loss.

New ACTH Treatment for Frankfort Man

Lawrence Woodman of Frankfort, is a medical patient in the Engelwood hospital, Chicago, where he is receiving treatment for arthritis. Mr. Woodman, who is employed by the Bettenhausen hardware company of Tinley Park, has suffered for many years from this crippling disease.

The ACTH treatment he is being given is the result of much laboratory work and quite recent discoveries. It is still considered in the experimental stage and the drug is so difficult to obtain that it has been delivered sparingly to only 6000 hospitals in the United States. Mr. Woodman expects to remain in the hospital for about one month.

Orland Man Victim Of Fast Driver

As Clarence Beagley was slowly driving north on route 45 last Thursday morning about 11:30 slowly weaving in and out around barricades placed by the highway department, who were repairing the bad spots in the highway, he was the victim of an apparently poor driver.

The accident happened at 155th street when a car behind him going in the same direction ran into him. The rear car was from out of the state and was said to be driving too fast. The driver was taken to the highway police station for questioning.

No one was injured. The Beagley car was insured.

The New Lenox Garden club has completed plans for their 10th annual flower show which will be held in the dining hall at the camp ground Wednesday and Thursday August 16 and 17. The hours will be from 2 to 9 each day.

The theme of the show this year is "Rustic Charm", and from all the echoes one is hearing these days about the show, it really is going to be one which no one will want to miss.

The Garden club has been so successful in past years, that they have decided to enter this show in the state competition of the Illinois Federation of Garden clubs.

By way of a pre-view, the first thing that will be seen upon entering the hall will be a beautiful exhibit of conservation, with Mrs. Leon Frey in charge. Next will be an unusual antique exhibit, around the fire place, under the chairmanship of Mrs. Mildred Houckin.

The country market in charge of Mrs. Madeline Miller is sure to please, as well as the horticultural display of the best vegetables and garden flowers.

Following our wanderings around, the next exhibit to catch our eyes will be the table settings, 11 of them, sponsored by different clubs and then the Chuckwagon, where refreshing refreshments will be available.

In the center of the exhibits will be the large flower arrangements entered under 10 different classifications.

The show will be open to the public at 2 o'clock following the judging by nationally accredited judges headed by Mrs. Bertha L. Downes of Chicago.

The judges and Garden club board members will be served a luncheon, picnic style, on the grounds near the hall, following their work among the beautiful and varied exhibits, trying to find the winners.

Mrs. Frank Vally is publicity chairman for the show, who with the club invite everyone from anywhere to attend.

Ruberoid Employees Enjoy Mokena Party

A group of 41 employees and their wives from the Ruberoid company at Joliet gathered at the home of Mr. and Mrs. Robert Elkins, Janes subdivision north of Mokena, last Wednesday evening, and enjoyed a potluck supper.

A large bon fire was built, straw bales were used for easy chairs and a large table with the lawn well lighted gave a pleasant atmosphere.

Cards were brought along, but they were cast aside when the group singing, weiner roast and other outdoor games were enjoyed. Among the guests were Henry Egens, superintendent of the plant, and his wife, Mr. Elkins is manager of the power plant at the Ruberoid.

CALVARY BAPTIST TO HOLD PICNIC AT JOLIET SATURDAY

Calvary Baptist church of Lincoln Estates will hold its annual Sunday school church picnic, Saturday, August 19 at Highland Park in Joliet. Transportation will be provided leaving the church at 10:30 a.m. Everyone is invited to come and join in the fun. There will be games, races, and prizes as well as pop and ice cream. Each family should bring sandwiches and a covered dish.

Snowed Under—!

... AND NINE MONTHS BEHIND! Government agencies usually do not know for nine months after year's end whether their expenditures will be approved by the General Accounting Office or how their accounts stand. The Hoover Commission found that the General Accounting Office examines EACH of the millions of Government expenditure vouchers, shipped to Washington in carload lots, instead of spot checking. The Federal budget fills more than 1,600 printed pages and no one knows exactly what it covers. The Hoover Commission recommended establishment of a General Accounting Service within the Treasury Department, and a "performance" budget along business lines. Acceptance by Congress of these and other Hoover Commission recommendations will give the United States better government at a better price.

J. Edgar Hoover Tells About Communists

The American Communists, who have gone underground with a vengeance, are attempting to weaken our nation through propaganda, and are training spies whose job is to bore inside the Government and to steal our top military secrets—particularly those concerning atomic weapons, jet planes, and plans for the national defense in event of war. That, in essence, is what FBI Director J. Edgar Hoover recently told a Senate committee.

Mr. Hoover is under no illusions as to Communist purposes. He said, "The Communist Party is not a bona fide political party. It is a highly organized, militant, and disciplined conspiratorial group following the whims and dictates of international Communism—The party is a group dedicated to the overthrow of our Government."

Just how large is this party whose loyalty belongs to a foreign power? According to Mr. Hoover, there are 54,174 actual Communist Party members within the U. S. at the present time, most of whom are in concentrated centers of population, New York State alone contains about half of them. It is likely that for every party member there are 10 sympathizers who are ready, willing and able to do the party's work. So, he said, "There is a potential fifth column of 540,000 people dedicated to this philosophy."

Since the trial and conviction of the 11 members of the party's Executive Board, major organizational changes have been effected, Mr. Hoover continued. The trend has been toward decentralization. In order to eliminate dangers that arise when large numbers congregate, the number of Communist Party clubs has been almost tripled. No membership cards were issued last year, and the maintenance of membership records has been discontinued. A courier system has been established to protect confidential

tial communications. Secret printing plants have been set up. Leaders are being selected for the underground. A thorough and elaborate system has been devised for making certain that each member is loyal to Communism and will remain so.

According to Mr. Hoover, the party has "endeavored to exploit youths, veterans, civil rights, foreign nationality, the press, radio, television, the motion-picture industry, educational, political, women and labor groups. Forty-eight per cent of the membership of the Communist Party is in the basic industry of this country—Communist efforts toward infiltration have been intensified in basic industries vital to our security, such as steel, heavy machinery, mining, communications, transportation, the electrical industry and the maritime industry.—The Communists have developed one of the greatest propaganda machines that I think modern civilization has ever known."

It is clear that Mr. Hoover regards the Communists and fellow-travelers as an exceedingly grave menace to our security. And no man is in a better position to know.

POLIO PRECAUTIONS

RECOMMENDED BY
THE NATIONAL FOUNDATION FOR INFANTILE PARALYSIS

WHEN POLIO IS AROUND, the National Foundation for Infantile Paralysis recommends these simple precautions: Keep children with their own friends and away from people they have not been with right along. Don't become exhausted through work or hard play. Don't stay too long in cold water or sit around in wet clothes. Always wash hands before eating. Watch for feverishness, sore throat, headache, upset stomach or sore muscles. They may—or may not—mean polio. Call your doctor and then, if help is needed, contact the National Foundation Chapter in your area.

JUD HAD SEEN the redheaded girl in Mr. Jones' outer office every day for a week.

He himself was a copy man, and if she were after the same job that he wanted it would complicate things. It would cut his chances of success in half, and

it would be rather embarrassing because—well, because he thought she was an awfully pretty girl and he liked the way she held her chin high and tried to appear brave.

On Monday of the second week, the redheaded girl dropped her handbag. Its contents spilled all over the place. Jud helped pick them up—lipstick, a bunch of keys, a pawn ticket! Jud's lips tightened when he saw that. Just as he thought—she's had to pawn something in order to live.

Of course the handbag episode gave him the liberty of talking with her. Without half trying, he got her story. It was just as he figured. A sad tale of deprivation and lost hope. If only she could see Mr. Jones. She knew he needed a stenographer and she really was awfully good.

A determined light came into Jud's eyes. Ignoring the protestations of the switchboard girl, he burst through the railed-in space, crossed it in two bounds and threw open the door to Mr. Jones' office.

Mr. Jones was sitting at his desk, smoking a cigar. He looked up with a startled expression when Jud entered. He had heavy jowls and a shock of grey hair and belligerent, bushy eyebrows.

The cigar fell from his mouth. He stood up. Before Jud could utter a word, he barked: "Your name Jud Essex?"

"Yes, sir," said Jud, taken aback.

"I'll be damned!" exclaimed Mr. Jones. "Did she tell you who she was?"

"Did who tell me who who was?" Jud asked, beginning to think he was mistaken for some one else.

"My daughter! That redheaded girl in the outer office?"

It was Jud's turn to drop a cigar, if he'd had one. "Your daughter? That—the girl who wants a job as a stenographer?"

Mr. Jones came round his desk. He was short, but rotund. He glared up at Jud. "You're hired," he said. "I lost a bet, so you're hired. But you'd better make good, or you're fired. Get that!"

"Shut up! Do you want the job, or don't you?"

Mr. Jones stalked out of the office. A man came in another door.

"Of course, I'm serious. I made a bet with Dad that I'd marry you."

and told Jud to follow him. "Kate always wins," the man said. "Here's your desk. Kate wants you to go to lunch with her this noon."

JUD SAT DOWN, speechless. "Do you mean—I am one of several who have been hired in this fashion?"

Jud passed a hand through his hair. The man left. Jud sat down at his desk. He tried to straighten things out in his mind, and was beginning to get places, when Kate entered.

At lunch Kate said: "Would you like to marry me?"

"Sure," said Jud, grinning weakly.

"All right then. Right after work. I'll be waiting."

She was, too.

He wondered what was next. He found out. She took him to a minister's. She produced a license. Jud tried to grin. He gulped and stared at her.

"Good lord! You're not serious about this?"

Jud suddenly no longer had the feeling that he liked all this. "Now listen," he said. "I can't marry you. In the first place I don't love you. In the second I think you and your old man are crazy. And in the next place, I'm already married and have three kids!"

Mr. Jones called Jud on the phone the next morning. "Mister, you're still working for me if you want the job. I won a bet from Kate, and it's cured her of her screwy notions. Come on down. Your salary's doubled."

MODERN METHODS IN HAYMAKING

CALL FOR

The Bale-O-Matic

The new Bale-O-Matic picks up the hay, slices and ties it into firm 40 inch bales of a density and weight pre-selected by the tractor operator—the only manpower required. Bales are tied with two strands of steel wire while under compression and are counted as delivered from the rear of the machine.

Outstanding Features: Bale chamber, plunger and packer head and arms are all of steel welded construction. Knife steel shear blade assures easy separation of uniform layers of hay. Hardened cut steel plunger and counter shaft drive gears run in enclosed oil bath. Roller chain driven drive shafts turn on roller bearings or bronze bushings and are equipped with safety spring release clutches. The light draft Bale-O-Matic is mounted on pneumatic wheels and is powered by a 4 cylinder "V" type air cooled engine.

For complete information on the many outstanding features of the Bale-O-Matic and other Modern MM MACHINES and TRACTORS, see your MM Dealer. MM Modern Machine Tools for your farm factory means extra profits for you. MODERN MM MACHINERY IS WORTH WAITING FOR—BUT GET FACTS NOW.

15, the Travel Bureau of the Chicago Motor club suggests several locales where relief awaits.

Northern Wisconsin, upper Michigan and the Minnesota Arrowhead country are within comparatively easy reach. But they are mentioned with reservations, as southerly winds and adjacent farming country sometimes cause a considerable pollen invasion.

A sneeze is unknown in the wooded valleys and peaks of Washington and Oregon. This region is a perfect refuge. Other western states offer comparable relief. California is good although the orchards and fields of southern California should be avoided. Montana, Wyoming, Idaho and Nevada bear very little pollen.

Utah and Colorado have a generally low pollen index although their principal cities, Salt Lake City and Denver, are not recommended for hay fever victims. Colorado is on the doubtful list also around Colorado Springs and Burlington.

Arizona and New Mexico are ideal, especially the former. The pollen count rises slightly, however, near Albuquerque.

In the East, Maine and New Hampshire in the north and Florida in the south are both recommended although the pollen count can vary in both regions. Augusta, Bar Harbor, Presque Isle and Houlton in Maine are usually good as are Concord, New London and others in New Hampshire.

The lower east coast of Florida, the Everglades and the Keys have not been thoroughly investigated but air tests at Miami and Miami Beach have been very favorable.

Analysis of Enrollment Trends

In analyzing the enrollment trends, a "drop out" factor must be applied to allow for those students who enter high school but for one reason or another do not graduate. There has been a gradual decline in the drop-out rate and it is expected that this trend will grow. In recent years the drop-out rate has been between 20 and 30%, running as low as 21% for the class of 1947. At present the junior college enrollments equal 43% of the 11th and 12th grades. Assuming these percentages to persist, tables may then be developed.

Prospective Enrollments 1957-1958

Grade	9	10	11	12
Potential	1153	1149	908	815
Drop	1153	1092	817	693
Out Rate	1153	1092	817	693

Total	4025	3755
Junior College	700	639
Grand Total	4725	4394
20% Drop	300	275
30% Drop	425	390
Out Rate	1153	1092
Drop	1153	1092
Out Rate	1153	1092

Prospective Enrollments 1959-1960

Grade	9	10	11	12
Potential	1145	1145	1153	1149
Drop	1145	1145	1053	922
Out Rate	1145	1145	1053	922

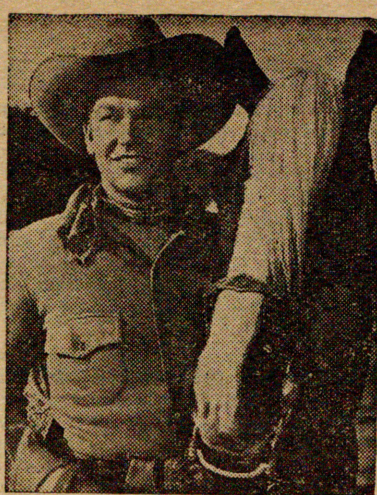

Plant Capacity and Enrollment Trends

It is estimated that the present plant can efficiently accommodate about 3750 students, although the top enrollment of 4019 high school and 329 junior college students for a total of 4348 tolerated by the present building in 1938 exceeds that estimation by 598. In carrying out present plans for rehabilitation and rounding out, those areas being planned will need adjacent classrooms if they are to achieve maximum utility. By renovating and reconfiguring present shop spaces to classrooms, facilities can be provided to absorb any reasonable enrollment estimates in the foreseeable future. There is evidence in the first and second grade enrollments within the district that a leveling-off period is approaching, and that assumption is further sustained by current records on births.

Effects of Annexation of Territory Immediately Adjacent

If an area extending two miles west, two miles south, and one mile east of the present high school district would annex itself to the Joliet Township High School, it would bring into the district a maximum of 103 students for the 1957-58 school year, and a maximum of 120 students for the 1959-60 school year. There are presently enrolled in the Joliet Township High School 51 students from this area. This area has an assessed valuation of \$6,907,587.00. The present educational tax rate on this assessment would yield approximately \$45,000.00, which would be an average student yield of about \$450.00 for the 1957-58 school year. The addition of any foreseeable enrollment from this area would be a negligible factor as far as the Joliet Township High School and Junior College building facilities are concerned, and the per student yield in revenue is ample to take care of any educational costs incurred, including transportation.

If all of the remaining non-high school territory in Plainfield and Troy Townships plus two tiers of sections from Jackson Township, and one tier of adjacent sections of New Lenox Township were to annex themselves to the Joliet Township High School district, a maximum of 133 students would be added to the Joliet Township High School enrollment in the 1957-58 school year, and a maximum of 148 for the 1959-60 school year. There are currently enrolled in the Joliet Township High School 78 students from this territory. This territory has an assessed valuation of \$10,891,557.00. On the basis of the current educational rate this averages out to an approximate per student yield of \$575.00 on the 1957-58 enrollment. Again the additional enrollment would have no appreciable effect on the total enrollment figure at the high school and the per student yield would be adequate to care for all educational costs, including transportation.

Rex Allen, Republic Pictures star, rejoins WLS friends as guest star on the National Barn Dance at the Illinois State Fair, August 12.

peak loads. By extending the school day and staggering the daily programs of students and teachers, more efficient use can be made of existing facilities. Students coming earlier in the morning leave later in the afternoon and those coming later in the morning leave later in the afternoon. Many students and their families find this possibility of choice advantageous. The staggered program also permits more effective use of transportation equipment, which can often be used for two deliveries rather than one. Only after it is clearly established that enrollment overloads are going to persist over a period of years can a community justify extensive expansion of permanent building facilities.

Sound Educational Planning Involves a Program to Meet the Educational Needs of All Youth Based on Broad, Safe Financial Foundations

It would seem well to consider the entire non-high school problem primarily from the standpoint of the educational offerings that can be made to the youth of the area. In this respect the large school has much more to offer than would ever be possible in a smaller school. Only by having a diversified program which offers training for the widest possible range of abilities and outlets for the widest possible

range of interests can schools be educationally effective.

It is important also to give emphasis to the advantage of a junior college program which offers a two-year education of college grade acceptable for transfer to any college or university in the United States. It should be borne in mind that costs and tax rates of the Joliet Township High School cover not only the cost of the high school but also include the cost of a junior college education which is tuition-free to all young people who reside within the district.

Finally, by combining resources communities can meet better the problems of offering even more diversified training opportunities to satisfy the many and varied capacities of their youth. Financial outlays for whatever purpose are thus spread over a broader, safer base for all.

The Good Luck Camp of Royal Neighbors will be entertained in the home of Mrs. James Konick Thursday afternoon August 17.

Barnett cemetery trustees have recently purchased a power mower and have employed John Andeen to operate it.

At the King's Daughters meeting in the Rasmussen home Thursday afternoon, Mrs. Frank Milne was appointed secretary, to take the place of Mrs. Rasmussen who has accepted a position with the Lockport Realty Co. Mrs. F. J. Paddock led the devotional program and Mrs. Wilbur Francis presided. Mrs. Bell Storm and Mrs. C. G. Rowley will be September hostesses.

Mrs. William Roberts has returned from a motor trip to Iowa where she visited relatives last week. Mrs. Betty Roberts accompanied her to Iowa.

Miss Charlene Jensen entertained a group of friends at a canasta party last Monday evening.

Miss Alma Lauffer was a house guest of Miss Betty Anderson for a few days last week.

Mrs. A. C. Logan of Joliet and Henry Burch were Sunday dinner guests of Mr. and Mrs. Frank Milne.

Mrs. H. B. Reed, formerly of Homer, who has been ill in her home in Gary for many months, is still confined to her bed. A competent practical nurse assists Mrs. Walter Lynn in caring for her mother.

H. V. Maple is building a new

home on the farm which he recently purchased from Fred Kopelman. He and his family expect to make their home here when it is completed.

An addition is being made to Shady Oaks camp. Wrey White is the contractor.

Word has been received by relatives here of a son born July 19 to Mr. and Mrs. Ralph Trask of Moline. The other children of the family are Frank and Linda. The baby has been named James Carl.

A reunion of the descendants of the late Michael Ott was held in Dellwood Park last Sunday. Mr. and Mrs. George Ott were co-chairmen of the occasion.

George Burcham, who is having a vacation from his work, spent several days last week at the home of his mother in Decatur.

Mr. and Mrs. Frank Kolar and daughter Marion have returned from a motor trip to Wisconsin where they visited relatives and friends.

Mrs. Martha Schumaker of Texas was a recent guest in the home of her aunt, Mrs. Emma West.

Mr. and Mrs. Joseph Myhrak of 143rd St., and family are vacationing in Wisconsin.

The Rev. and Mrs. Paul Sylvester and daughter, Miss Janet were Sunday dinner guests of Mr. and Mrs. Ray Carlson. Rev. Sylvester has recently completed a 10 year pastorate in St. Louis and has accepted a church in New Haven, Conn. They are Tower Hill camp friends of the Carlsons.

The S. S. attendance contest got off to a good start at Homer church Sunday morning; all captains but one, were present and there was a good increase in attendance.

Small grain harvest is well under way in this locality and should be completed this week.

TODAY'S Meditation

THURSDAY, AUGUST 10

"Jo, I am with you always, even unto the end of the world. Amen." (Matthew 28:20). Read Hebrews 11:23-29.

One child in the group says, "Let's play like." Whatever it is that they "play like" is very real to them. They do not stop at "thinking like" but they "play like." The latter makes for reality.

This is something of the way by which men have come to know God. They have proceeded on the belief that there is a God and that men can have fellowship with Him. God rewards all those who in faith reach out to find Him. He reveals to them the fact of His existence, His Spirit, His love, His fatherly goodness. A man complained to his minister that there was nothing real to

him about praying. The wise pastor said: "Put a chair before you. Imagine that God is sitting in it. Talk to Him." It worked. Prayer became real in the man's life. In his last illness he kept an empty chair by his bed. One morning when his daughter came to attend him, she found him dead. His hand lay extended toward the chair. He practiced the presence of God until God had become real to him.

Prayer

Daily. O Lord, the things of the senses are real to us. Help us to make Thee just as real, in Jesus' name. Amen.

Thought For the Day
God is as real to us as we permit Him to be.

The Ladies Aid of Christ Lutheran church held their regular business meeting Thursday, Aug. 3.

A miscellaneous bridal shower was held in the Legion Hall, Wednesday, August 2 given by Mrs. Ray Doctor, Mrs. Harold Shroats, Mrs. Earl Reish Jr., and Mrs. Clifford Horn in honor of Ethel Reish.

The hall was decorated in pink and blue crepe paper streamers, which were the bride elect's colors; also the honored chair was decorated with the colored paper. A few rounds of bunco were enjoyed by the guests, and the prizes awarded were in turn given to the honored guest. Ethel received many beautiful and useful gifts. Sandwiches, cake and coffee were served by the hostesses.

Mr. and Mrs. Albert Cooper of Rockford, spent the past week with his sister, Mrs. Elmer Newton, and other relatives.

TOWER TUMBLES—In Germany's Soviet sector, Communist authorities ordered the famous Georgen Church destroyed, charging that the historic tower was near collapse. Days later, sticks of TNT beneath the church were detonated by the Reds. The resulting explosion muffled the protests of irate Evangelical clergymen, and their beloved bell tower toppled to the ground.

Farm Commentator, heard Monday through Saturday, 6:15-6:45 a. m. on WMAQ, Chicago, 670 on your dial.

MILD winter weather over most of the nation this year has helped one crop that we don't want any part of. That's the insect pest crop which, according to the Department of Agriculture, could boost the annual four billion dollar damage bill by millions this year.

The eggs and larvae of grasshoppers, corn borers, boll weevils and other crop and livestock pests suffered very little damage due to freezing last winter. Also unusually damp weather in some parts of the country this spring has helped them considerably.

The development of some powerful insecticides, the most promising being DDT, led many of us to believe that we had the insect problem pretty well licked. We should have known better, because there's a defense for every weapon, and the insects soon developed an immunity to sprays and dusts.

The chemical industry is still hard at work in the never ending battle. They've come up with some new insecticides that promise to destroy even the hardiest pests—that is, until immunity is developed against these new killers.

The farmer can take preventative steps now, before the weather becomes hot. Pasture rotation and drainage of swamp areas will help protect livestock against insects and other parasites. You can eliminate some foot trouble too, by keeping cattle and sheep on dry pasture.

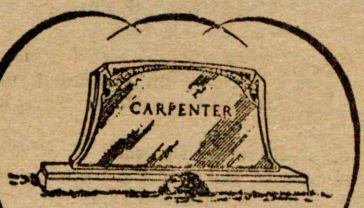

And remember, a general clean-up around the farm will discourage fly breeding. Spray the stables and barn frequently with a good insecticide to keep them outdoors—all

Miss Caroline Tilsy had a pleasant surprise for her birthday. She and her niece Helen, were invited to the home of Mr. and Mrs. Charles Ulrich and Miss Julia Tilsy at Goodings Grove Sunday. When arriving there, they found the table set on the lawn and in readiness for quite a number of guests. In due time Mr. and Mrs. Henry Tilsy and family, Mr. and Mrs. James Tilsy and family, Mr. and Mrs. Everett Holm and Billy Tilsy came. After a greeting by the group to Miss Caroline, a good dinner was enjoyed by all. Billy Tilsy presented a very pretty corsage to the honored guest before the dinner and other pretty useful gifts had been placed on a little table nearby and were opened by her after the dinner. The afternoon was spent informally visiting and to all who could stay, supper was served on the lawn. It was an enjoyable affair for all.

Twenty-seven members of the Wednesday buncos club enjoyed a pot

luck picnic at the home of Mrs. Mary Marshall Wednesday. The dinner was served at noon. Buncos was played at five tables and prizes were awarded.

He Loved Teaching

Lesson for August 13, 1950

WHAT WOULD you do if you had a million dollars? Several thousand school teachers were asked that question a few years ago. Seventy-five per cent of them gave the same answer: "I'd resign." They weren't real teachers, they were only hired help. The other twenty-five per cent were the real teachers. A great university teacher, Palmer of Harvard, wrote that he had the perfect job. Believe it or not, he said, "Harvard actually pays me for doing what—if I could afford it—I would gladly pay Harvard to let me do."

Dr. Foreman

No Finished Product

THE REAL thing about teaching is that you are dealing with people, young people, growing people. In every other line of business, whatever you turn out begins to depreciate almost as soon as it leaves the factory.

It doesn't take long for butter to get rancid, or bread stale. A cold-storage egg is a feeble imitation of a fresh one. A car that has changed hands once, even if it has run less than 1,000 miles, is already a "used" car on its way to the junk-pile.

But the products of the teacher's classroom are by no means "finished" products when they leave it, even if it is a finishing school. If the teacher's work has been done well, the product will go on improving for years, instead of running down.

Three Aims

PROFESSOR EZRA, of Babylon and Jerusalem, was one of history's most famous teachers. We note (Ezra 7:10) the same three aims in Ezra's life that you would expect to find in all good teachers.

First of all, he "prepared his heart" to do what he did. The "heart" is the Bible expression for character, for life as a whole. No one can be a truly good teacher who has a bad character.

Now Ezra prepared his heart to do three things. The first was to "seek the law of the Lord." What a teacher teaches may be as important as who his pupils are; and Ezra's "subject" was the law which God had given his people—part of what we now call the Old Testament. Nowadays this is called research, but a simple word for it is just study. A lazy teacher is a poor one. A good teacher will spend more time studying than any of the pupils do—and will learn more, too. In fact, the best way to learn anything, including the Bible, is to try to teach it for a while.

Second, Ezra prepared his heart to do the law. The old sneer, "He who can, does; he who cannot, teaches," is true of poor teachers, not of the good ones. Particularly not true of Bible teachers. The aim of Bible teaching, from Moses' time till now, is always practical. "Truth is in order to goodness," as the Presbyterians say. One who has not tried out the Bible ideals in daily living will never do for a Bible teacher.

And third, Ezra set out to "teach in Israel." Your research scholar may or may not make a good teacher. The good teacher is not bored by teaching as some researchers are. He loves it. He is happiest at it.

Take Yourself, for Example

NOW LET US see how this comes out in your own home Sunday school. If yours is like most Sunday schools, the main trouble with it is that they can't find enough good teachers, enough people who really want to know about God's word themselves, who live and love to help others know it.

The Rev. H. M. Lewis of Texas has said in his essay, The Dividends of Teaching:

"When you begin to teach you will realize that at last you have found a purpose for your religion... Teaching gives a motive, the highest motive, for all acts of religion and for all pursuit of knowledge—'For their sakes.' Every Christian has the missionary obligation and is by virtue of his profession of faith, a missionary. 'Go, teach all nations.' Make your particular nation young America and your special opportunity systematic work in the Church school. Once you believe that you must be a teacher because you are a Christian... you will have heard your life's call."

TINLEY PARK

Dr. Earl Swisher phoned his brother, John Swisher, from the airport last week. Dr. Swisher is a Professor at Boulder university and was enroute to Washington D. C. on official business.

Mr. and Mrs. Paul Nielsen were pleasantly surprised Saturday evening when several friends came to help them celebrate their 10th wedding anniversary. Some of the guests were in their wedding party.

August 4, Percy Jochum was presented with membership in the Quarter Century club of the First National Bank of Chicago, having been employed by this establishment for 25 years. As a tribute to the occasion, his associates gave him a Longine wristwatch bearing an appropriate inscription, and a basket of beautiful flowers.

Mr. and Mrs. Arthur Hyde of London, Canada, and Mrs. Louise Noehring spent Tuesday at the John E. Swisher home. Both ladies are Mrs. Swisher's sisters.

Mr. and Mrs. Carl Miller announce the birth of a son, Kenneth Adam, born August 3 in St. Francis hospital, Blue Island.

Mario Bernardini received word from Italy last week that his father, Michael Bernardini had passed away. He left for Italy July 12 with his brother, Ralph.

Mr. and Mrs. Wilbert Mager and Mr. and Mrs. Ward Mikins returned last week from a two week motor trip to the western states. While there, they enjoyed a rodeo in Cheyenne, Wyo., and toured the Black Hills and Bad Lands of S. Dakota.

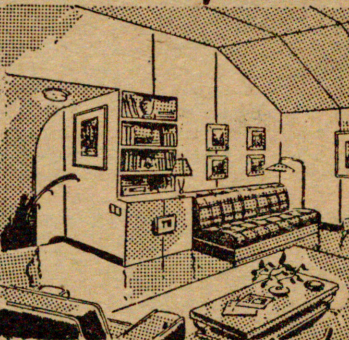

Mr. and Mrs. James Elliott are the proud parents of a baby boy, born Sunday, August 6 at Ingalls Memorial hospital in Harey.

Mr. and Mrs. Harry Cloud and Mr. and Mrs. Gilbert Cloud attended the funeral of John Teska last Thursday in Chicago. Mr. Teska is Harry Cloud's brother-in-law.

As Dr. Earl Swisher, a professor at the Boulder university was enroute to Washington D. C. on business, he pleasantly surprised his brother by calling him on the telephone and having a short visit, from the Chicago airport.

Only Chevrolet offers such a
wide and wonderful choice
...and at the lowest prices, too!

You can choose between
Styleline and Fleetline styling

Many an admiring glance will follow you when you roll by in your new Chevrolet with Body by Fisher. That's true whether you choose a Chevrolet Styleline model, with "notch back" styling, as the designers call it, or a Chevrolet Fleetline model, with "fast back" styling. Both are available on all Chevrolet sedans and at the same prices! Remember—Chevrolet is the only low-priced car that offers these two outstandingly beautiful types of styling... thus giving you an opportunity to express your own individual taste in motor car beauty.

You can choose between
Automatic and Standard Drive

You have an enviable choice of engines and drives in Chevrolet, too. You can buy a Chevrolet combining Powerglide Automatic Transmission* and 105-h.p. Valve-in-Head Engine for the finest *no-shift driving* at lowest cost, or a Chevrolet combining the highly improved standard Chevrolet Valve-in-Head Engine and Silent Synchro-Mesh Transmission for the finest *standard driving* at lowest cost.

*Combination of Powerglide Automatic Transmission and 105-h.p. Engine optional on De Luxe models at extra cost.

You can choose between
the Bel Air and the Convertible

And if it's a sports model you want, here's your car! Choose the fleet, fashionable, steel-topped *Bel Air*, with smart, racy lines, extra-wide windows, and gray, leather-trimmed upholstery, and you'll have the only car of its kind in the low-price field. Or choose the equally beautiful Chevrolet Convertible, with automatic top that lifts or lowers at the touch of a button, and you'll have the finest Convertible in its price range. Also available is an all-steel, four-door Station Wagon—smartest in its field—listing for \$260 less than last year.

A word to the wives...

(You can't go wrong if you clip this ad and leave it lying around for the Man of the House to read)

Jim Taylor was asking me to find out what's bothering his wife, Sally. It seems she's just all of a sudden fed up with having to plan ahead every time she wants to use hot water. She can't decide on the spur of the moment to wash her hair, or polish off a hamper of laundry... she has to think of it an hour or so ahead of time to be sure of having hot water. And now she's shooting sparks about the whole thing. Jim thinks she needs a vacation or something.

My husband thought I needed a vacation last year about this time, too. But I told him I'd settle for an automatic GAS water heater. It was less expensive and it's saving my disposition (and time and energy) all year 'round, instead of for just two weeks. The laundry's a snap... housecleaning is child's play... and we have all the hot water we need for just a few cents a day.

So I told Jim, and I'll tell your husband, too... just having an automatic GAS water heater is a vacation in itself!

See your plumber, appliance dealer or our nearest store. SMALL DOWN PAYMENT... and up to 24 months to pay balance with your Service Bill.

Cook County Personal Property Assessment for 1950

This publication is the official notice to property owners, of the 1950 personal property assessments made in the town and district indicated. RETURNS AND ESTIMATES

THE LAW PROVIDES THAT, WHERE A PROPERTY OWNER FAILS TO RETURN A SWORN SCHEDULE LISTING HIS PROPERTY THE ASSESSOR OF COOK COUNTY MUST ESTIMATE ITS VALUE ACCORDING TO HIS BEST JUDGMENT AND INFORMATION, AND ADD THEREON A PENALTY OF 50 PER CENT. ASSESSMENTS BASED ON ESTIMATES AND RETURNS HAVE EQUAL STANDING IN LAW.

The amounts herein listed are the assessed values of personal property as of April 1, 1950, as determined by

the Assessor of Cook County.

The amount listed as the assessed value is not the tax. The tax may be determined by multiplying the assessed valuation, after it has been equalized by the Department of Revenue of the State of Illinois, by the tax rate in the Town and District in which the property is assessed. The Assessor has nothing to do with the equalization of values or the establishing of tax rates.

BASIS OF COMPLAINT ON ASSESSMENTS

Where a property owner has a specific claim of over or under valuation, complaint may be filed with the Board of Appeals in the County Building, immediately after this notice.

INFORMATION ON ASSESSMENTS

Each property owner who has any questions in regard to the same, should inquire at the office of the Assessor of Cook County, Room 312, County Building. Information will be furnished without cost.

Assessor of Cook County

VILLAGE OF MOKENA
ORDINANCE NO. 359

An Ordinance Licensing and Regulating the Sale of Intoxicating Liquors in the Village of Mokena, Will County, Illinois.

Be it ordained by the President and Board of Trustees of the Village of Mokena, in the County of Will, and State of Illinois:

1. Definitions. Unless the context otherwise requires, the following terms as used in this ordinance shall be construed according to the definitions given below.

ALCOHOLIC LIQUOR—any spirit, wine, beer, ale, or other liquid containing more than one-half of one percent of alcohol by volume, which is fit for beverage purposes.

RETAIL SALE—the sale for use or consumption and not for resale.

RESTAURANT—any public place kept, used, maintained, advertised and held out to the public as a place where meals are served, and where meals are actually and regularly served, without sleeping accommodations, such space being provided with adequate and sanitary kitchen and dining room equipment and capacity and having employed there in a sufficient number and kind of employees to prepare, cook and serve suitable food for its guests.

HOTEL—every building or other structure kept, used, maintained and held out to the public to be a place where food is actually served and consumed and sleeping accommodations are offered for adequate pay to travelers and guests, whether transient, permanent, or residential, in which twenty-five (25) or more rooms are used for the sleeping accommodations of such guests and having one or more public dining rooms where meals are served to such guests, such sleeping accommodations and dining rooms being conducted in the same buildings, structure or structures being provided with adequate

and sanitary kitchen and dining room equipment and capacity.

CLUB—a corporation organized under the laws of this State, not for pecuniary profit, solely for the promotion of some common object other than the sale or consumption of alcoholic liquors, kept, used and maintained by its members through the payment of annual dues, and owning, hiring or leasing a building or space in a building, of such extent and character as may be suitable and adequate for the reasonable and comfortable use and accommodation of its members and their guests and provided with suitable and adequate kitchen and dining space and equipment and maintaining a sufficient number of servants and employees for cooking, preparing and serving food and meals for its members and their guests; PROVIDED that such club files with the president at the time of its application for a license under this ordinance two copies of a list of names and residences of its members and similarly files within ten (10) days of the election of any additional member his name and address; AND, PROVIDED FURTHER, that its affairs and management are conducted by a board of directors, executive committee or similar body chosen by the members at their annual meeting, and that no member or any officer, agent, or employee of the club is paid, or directly or indirectly receives, in the form of salary or other compensation any profits from the distribution or sale of alcoholic liquor to the club or the members of the club or its guests introduced by members beyond the amount of such salary as may be fixed and voted at any annual meeting by the members or by its board of directors or other governing body out of the general revenue of the club.

2. LICENSE REQUIRED. It shall be unlawful to sell or offer for sale at retail in the village any alcohol-

ic liquor without having a retail liquor dealer's license, or in violation of the terms of such license.

3. APPLICATIONS. Applications for such licenses shall be made to the village president in writing, signed by the applicant, if an individual, or by a duly authorized agent thereof, if a club or corporation, verified by oath or affidavit, and shall contain the following information and statements:

1. The name, age, and address of the applicant in the case of an individual; in the case of a co-partnership, the persons entitled to share in the profits thereof, and in the case of a corporation, for profit, or a club, the date of incorporation, the objects for which it was organized, the names and addresses of the officers and directors, and if a majority in interest of the stock of such corporation is owned by one person or his nominees, the name and address of such person;

2. The citizenship of the applicant, his place of birth and if a naturalized citizen, the time and place of his naturalization;

3. The character of business of the applicant; and in case of a corporation the objects for which it was formed;

4. The length of time that said applicant has been in business of that character, or in the case of a corporation, the date on which its charter was issued;

5. The amount of goods, wares and merchandise on hand at the time application is made;

6. The location and description of the premises or place of business which is to be operated under such license;

7. A statement whether applicant has made similar application for a similar other license on premises other than described in the application; and the disposition of such application;

8. A statement that applicant has never been convicted of a felony and is not disqualified to receive a

license by reason of any matter of thing contained in this ordinance, laws of this State, or the ordinances of this village.

9. Whether a previous license by any State or subdivision thereof, or by the federal government has been revoked, and the reasons therefor.

10. A statement that the applicant will not violate any of the laws of the State of Illinois or of the United States, or any ordinance of the village in the conduct of his place of business.

4. RESTRICTION ON LICENSES. No such license shall be issued to 1. A person who is not a resident of the village; 2. A person who is not of good character and reputation in the community in which he resides; 3. A person who is not a citizen of the United States; 4. A person who has been convicted of a felony under the laws of the State of Illinois; 5. A person who has been convicted of pandering or other crime or misdemeanor opposed to decency and morality; 6. A person whose license issued under this ordinance has been revoked for cause; 7. A person who at the time of application for renewal of any license issued hereunder would not be eligible for such license upon a first application; 8. A co-partnership, unless all of the members of such co-partnership shall be qualified to obtain a license; 9. A corporation, if any officer, manager or director thereof, or any stockholder or stockholders owning in the aggregate more than five percent 5% of the stock of such corporation, would not be eligible to receive a license hereunder for any reason other than citizenship and residence within the political subdivision. 11. A person whose place of business is conducted by a manager or agent unless said manager or agent possess the qualifications required of the licensee; 12. A person who has been convicted of a violation of any Federal or State law concerning the manufacture

possession or sale of alcoholic liquor, subsequent to the passage of this ordinance, or shall have forfeited his bond to appear in court to answer charges for any such violation. 13. A person who does not own the premises for which a license is sought, or does not have a lease thereon for the full period for which the license is to be issued. 14. Any law enforcing public official, any mayor, alderman, or member of the city council or commission, any president of the village board of trustees, any member of a village board of trustees, or any president or member of a county board; and no such official shall be interested in any way, either directly or indirectly, in the manufacture, sale or distribution of alcoholic liquor. 15. Any person, association, or corporation not eligible for a State retail liquor dealer's license.

5. TERM—pro rating fee. Each such license shall terminate on the 30th day of April next following its issuance. The fee to be paid shall be reduced in proportion to the full calendar months which have expired in the year prior to the issuance of the license.

6. CLASSIFICATION — FEES. Such licenses shall be, and are hereby, divided into two classes, to-wit:

(1) Class A LICENSES, which shall authorize the retail sale on the premises specified of alcoholic liquor for consumption on the premises as well as other retail sales of such liquor. The annual fee for such license shall be \$500. Five Hundred Dollars.

(2) Class B LICENSES which shall authorize the retail sale of alcoholic liquor for club members and guests. The annual fee for such license shall be \$100. One Hundred Dollars.

7. DISPOSITION OF FEES. All such fees shall be paid to the president at the time application is made, and shall be forthwith turned over to the treasurer. In the event the license applied for is denied, the fee shall be returned to the applicant; if the license is granted, then the fee shall be deposited in the general corporate fund or in such other fund as shall have been designated by the board of trustees, by proper action.

8. CONSUMPTION ON PREMISES. It shall be unlawful for anyone not having a Class A license to sell or offer for sale any alcoholic liquor for consumption on the premises where sold, or to permit the same to be consumed on the premises where sold.

9. NUMBER OF LICENSES. There shall be issued in the village no more than 3 Class A Tavern licenses and 1 Class B Club license to be in effect at any time.

10. LIST. The president shall keep or cause to be kept a complete record of all such licenses issued by him; and shall furnish the clerk, treasurer and chief of police each with a copy thereof; upon the issuance of any new license, or the revocation of any old license, the president shall give written notice of such action to each of these officers within forty eight (48) hours of such action.

11. TRANSFER OF LICENSES. A license shall be purely a personal privilege, good for not to exceed one year after issuance unless sooner revoked as in this ordinance provided, and shall not constitute property, nor shall it be subject to attachment, garnishment or execution, nor shall it be alienable or transferable, voluntarily or involuntarily, or subject to being encumbered or hypothecated. Such license shall not descend by the laws of testate or intestate devolution, but it shall cease upon the death of the licensee, provided that executors or administrators of the estate of any deceased licensee, and the trustee of any insolvent or bankrupt licensee, when such estate consists in part of alcoholic liquor, may continue the business of the sale or manufacture of alcoholic liquor under order of the appropriate court, and may exercise the privileges of the deceased or insolvent or bankrupt licensee after the death of such decedent, or such insolvency or bankruptcy until the expiration of such license but not longer than six months after the death, bankruptcy or insolvency of such licensee. A refund shall be made of that portion of the license fees paid for any period in which the licensee shall be prevented from operating under such license in accordance with the provisions of this paragraph.

Any licensee may renew his license at the expiration thereof, provided he is then qualified to receive a license and the premises for which such renewal license is sought are suitable for such purpose; and PROVIDED, FURTHER, that the renewal privilege herein provided for shall not be construed as a vested right which shall in any case prevent the president from decreasing the number of licenses to be issued within his jurisdiction.

12. CHANGE OF LOCATION. A retail liquor dealer's license shall permit the sale of alcoholic liquor only in the premises described in the application and license. Such location may be changed only upon the written permit to make such change issued by the president. No change of location shall be permitted unless the proposed new location is a proper one for the retail sale of alcoholic liquor under the law of this State and ordinances of the village.

13. PEDDLING. It shall be unlawful to peddle alcoholic liquor in the village.

14. SANITARY CONDITIONS. All premises used for the retail sale of alcoholic liquor, or for the storage of such liquor for such sale, shall be kept in a clean and sanitary condition, and shall be kept in full compliance with the ordinances regulating the condition of premises used for the storage or sale of food for human consumption.

15. EMPLOYEES. It shall be unlawful to employ in any premises used for the retail sale of alcoholic liquor any person who is afflicted with, or who is a carrier of, any contagious, infectious or venereal disease; and it shall be unlawful for any person who is afflicted

with or a carrier of any such disease to work in or about any premises or to engage in any way in the handling, preparation or distribution of such liquor.

16. RESTRICTED AREAS. It is hereby determined that the following described portions of the village or predominately residential in character.

It shall be unlawful to sell or offer for sale at retail any alcoholic liquor within any such portion of the village unless the owner of the village or the owner of the frontage feet along the street and streets adjacent to such place of business for which a license is sought, for a distance of 200 feet in each direction from such proposed place of business, shall file with the local liquor commissioner, or licensing officer, his or their written consent to the use of such place for the sale of alcoholic liquors.

17. LOCATION RESTRICTIONS. No license shall be issued for the sale at retail of any alcoholic liquor within 100 feet of any church, school, hospital, home for aged or indigent persons or for veterans, their wives or children or any military or naval station. PROVIDED, that this prohibition shall not apply to hotels offering restaurant service, regularly organized clubs or to restaurants, food shops or other places where sale of alcoholic liquors is not the principal business carried on, if such place of business so exempted shall have been established for such purpose prior to the taking effect of this ordinance. No person shall hereafter engage in business as a retailer of any alcoholic liquor within 100 feet of any undertaking establishment or mortuary.

18. CLOSING HOURS—Sundays. It shall be unlawful to sell or offer for sale at retail any alcoholic liquor in the village between the hours of 1 a.m. except Saturdays until 3 a.m. and 6 o'clock in the morning of any day, except Sunday morning until noon. It shall be unlawful to keep open for business or to admit the public to any premises in or on which alcoholic liquor is sold at retail during the hours within the sale of such liquor is prohibited; PROVIDED, that in case of restaurants, clubs, and hotels such establishments may be kept open during such hours, but no alcoholic liquor may be sold to or consumed by the public during such hours.

19. ELECTION DAYS. No person shall sell at retail any alcoholic liquor on the day of any national, state, county or municipal election, including primary elections, during the hours the polls are open, within the political area in which such election is being held.

20. VIEW FROM STREET. In premises upon which the sale of alcoholic liquor for consumption upon the premises is licensed (other than as a restaurant, hotel or club), no screen, blind, curtain, partition article or thing shall be permitted in the windows or upon the doors of such licensed premises nor inside such premises, which shall prevent a clear view into the interior

of such licensed premises from the street, road or sidewalk at all times, and no booth, screen, partition, or other obstruction nor any arrangement of lights or lighting shall be permitted in or about the interior of such premises which shall prevent a full view of the entire interior of such premises from the street road or sidewalk. All rooms where liquor is sold for consumption upon the premises shall be continuously lighted during business hours by natural light or artificial white light so that all parts of the interior of the premises shall be clearly visible. In case the view into any such licensed premises required by the foregoing provisions, shall be willfully obscured by the licensee or by him willfully suffered to be obscured or in any manner obstructed, then such licensee shall be subject to revocation in the manner herein provided. In order to enforce the provisions of this section, the president shall have the right to require the filing with him of plans, drawing and photographs showing the clearance of the view as above required.

21. REVOCATION. The president may revoke any retail liquor dealer's license for any violation of any provision of this ordinance, or for any violation of any State law pertaining to the sale of alcoholic liquor.

22. PENALTY. Any person, firm or corporation violating any provisions of this ordinance shall be fined not less than Five Dollars (\$5.00) nor more than Two Hundred Dollars (\$200) for each offense; and a separate offense shall be deemed committed on each day during or on which a violation occurs or continues.

23. This ordinance shall take effect and be in full force from and after its passage and publication as provided by law.

24. All ordinances or parts of ordinances in conflict herewith or any section hereof are hereby repealed. Passed by the Board of Trustees this 20 day of July A. D. 1950.

ALVIN S. SORESENSEN,
Village Clerk

I hereby approve the above and foregoing ordinance as president of the Board of Trustees of the village of Mokena, Illinois, this 20 day of July A. D. 1950.

Tinley Tops Mustangs 13 to 5

Sunday August 6 the Midlothian
Mustangs visited the Sportsmen at
Memorial Park and took a 13 to 5
lacing.

The Sportsmen being the visiting
team in this case, as the game was
transferred from Midlothian to Tin-
ley, led off with a two run first
inning, they had a two run second
inning and scored one more in the
third.

Meanwhile the Mustangs counted
one in the first, one in the second,
one in the third, and two in the
fourth to tie it all up.

The Sportsmen counted one more
in the fifth inning on Anderson's
second double and an error by the
Mustang shortstop.

Tinley iced the game in the sev-
enth when Cupp, first up, was safe
on an error by Butten. Kuech
walked, Anderson doubled, Betten-
hausen walked, Landau doubled
Pickett flied out, Minas flied out.
Ricci was safe on Butten's second
error and Roecker rolled out sec-
ond to first counting 5 runs this
inning. The Sportsmen scored two
more in the eighth to make the
score 13 to 5 in Tinley's favor.

Ricci pitching for Tinley allowed
six hits in the first five innings
then tightened up and allowed one
single in the last four innings
which came in the seventh after
two were out.

Next Sunday, August 13 the
Sportsmen will meet the league
leading Oak Forest A.C.'s at Me-
morial Park in Tinley. Come out
and see this one. Game time 2:30.

Tinley 16" Softball

By "Beans"

It looks like fall is really on its
way. Fall signs are evident every-
where one looks: the corn is start-
ing to tassel out, the wheat is most
all in, the stores are beginning to
feature back to school clothes
(ugh!) and the All-star football game
is due to be played tomorrow nite.
I hope the All-stars win. I'm always
for the under-dog. I feel such a
close affinity to any under-dog
playing on Methodist myself. Thank
goodness the old rain has let up
for awhile. The old weather man
was getting downright stupid.

Bless your little old sweet heart,
Road Commissioner Ed Henke
you're going to give us a good road
leading into the ball park. I could
be bitter and say it's about time
but I won't. I will say that every
one thanks you from the bottom of
our hearts. I hope it's a blacktop.

This has been a crazy week as
far as softball is concerned. The
leaders have really taken a thump-
ing. Brandau's came up with not
one win but two. A lusty crowd and
pat on the back to you guys. It's
about time. You don't belong there
in the basement. Even those lowly
Methodist men came thru and fol-
lowed suit, by at long last breaking
into the win column. Reserve
space for the Scavengers. They
came thru too.

Remember last week I gave the
Scavengers such a build up when
they beat Cavetts 5 to 3? They
must have shot their wad, because
the two underdogs have beaten
them since then. The Methodists
accounted for their win Thurs.
the 3rd against the Scavengers. The
Scavengers tied it up in the bottom
half of the sixth but couldn't eke
that crucial run. Both teams play-
ed tight defensive ball in the sev-
enth and normally last inning. In
the first half of the eighth a single
by Bob Trevanthen and a triple by
Dick Nordenbaum pushed the win-
ning run across. In the bottom
half it was three up three down
for the Scavengers. Shields didn't
allow a hit in either the seventh or
eighth innings.

Tuesday the first, Brandau's beat
those very hard to beat Doughboys.
I don't know the score, wasn't able
to get it. I understand it was very
close tho.

Brandau's did it again this Mon.
by defeating those hard playing
Scavengers 11 to 10. Wot a game.
Tight all the way. With one away
a long fly was hit to Neff out in
center. The Scavengers pitcher took
off after the catch and tried to tie
the score. Bud Brandau relayed the
pill from Neff to Grover Elmore
behind the plate. Grover rock-like,
put the ball on the runner for
the last out. Grover didn't even
flinch. Keep trying, someday you
will be as good a catcher.

The Doughboys came thru again
beating the decrepit Sanger boys in
a hard fought, knock down, drag
out affair removing Sanger from

the league lead. Sorry gentlemen,
you'll have to earn it. Final 20-13.
The Girls have had a bad time
of it. Matteson wouldn't let Fran-
ny pitch for some reason or other.
Tinley lost last Mon. about 9 to 1.
In a challenge match against Mt.
Greenwood played here, the girls
with Franny Dolph won 17 to 1.
Franny carded 22 strikeouts.

That girl can really pitch. This
Mon. against Oak Forest Franny
was out with injuries. Nice guy,
injuries. Mert Lloyd started and
was relieved by "Beanie" Betten-
hausen. Oak Forest hit that ball all
over the lot. The girls are in dire
need of fielding experience. Let
them lose a few behind relief pitch-
ing Moose. It might make better
ball players out of them. Oak For-
est tromped the girls 18 to 9.

dist.
Thurs. Aug. 17: Sanger vs. Cav-
etts. End of second one third.

Those mosquitoes of evenings
are really getting wicked. Village
Board, couldn't some old oil be
dumped in the creek? It would cut
down on them 100%. I bet. Until
something is done our best bet is to
continue building smudge fires, or
if wealthy buy a bottle of insect
repellent. Six twelve is excellent
stuff. I recommend it. Most re-
pellents drive your friends away
too, but Six twelve won't. When
you come out of the coma, your
friends will be hovering over you
stingers ready.

Lose Championship

The Tinley Park Sportsmen B
team played the Harvey Wildcats
for the Memorial YMCA Senior
baseball championship Monday eve-
ning at Harvey and lost 5 to 0.
Tinley received but two hits from
the hurling of Al Dolph. Al gave up
two hits to his pitching opponent
Don Kuech. He struck out fifteen,
walked and hit one batter. Don
Kuech gave up four hits, four
walks and struck out twelve. Both
pitchers pitched good games but
Harvey got their hits when they
had men on the bases.

Tinley finished the season with
10 wins and 4 defeats thus taking
second place in their first season
in this league.

Tinley's players this season were
Bob Cupp, first baseman; Joe Gal-
lina, second baseman; Gerry Gray,
third baseman; Ken Webster, short
stop; Paul Jeffords, Catcher; Don
Goessel, outfield; Jack Tomlinson
Outfield; Tom Babbist, Outfield
Gerry Hug, Outfield; George Pea-
cock, catcher, outfield; Carl Gallina
second baseman; Jim Tomlinson
and Don Kuech, pitchers.

Sportsmen B News

By "Squeester"

The Tinley Park Sportsmen B's
downed North Harvey A. C., 3 to
2 Friday evening to go into the
finals of the Memorial YMCA sen-
ior baseball league.

Jim Tomlinson's brilliant pitching
and Don Kuech's clutch hitting
proved to be winning factors for
Tinley. Jim allowed but two hits
both by catcher Dale Kyvorac
while striking out six in a game
called at the end of six innings due
to darkness.

Tinley jumped on Bill Hicks for
two runs in the second when Don
Kuech singled, Bob Cupp tripled
and George Peacock tripled. Tinley
held the lead until the last of the
fourth when two walks and an er-
ror loaded the bases and Dale Ky-
vorac dumped a 3-2 pitch over the
second baseman's head.

Tinley scored the winning run in
the fifth on Don Kuech's line drive
homer of the center fielder's head.
Tinley now must beat the Har-
vey Wildcats twice to become
champs.
